

O.

This light

This vision

This energy

This celebration

This focus

This flight

This culture and that

This circling the globe

This bridging of art, science and technology

This drawing in hand

This pile of books

This moving illumination

This breadth of experience

This restless flow

This floating of Charlotte

This elevation of poetics

This meeting of the minds

This eclectic set of collaborations

This landscape of lines and moving color

This dance of light

This playing with fire

This elemental vision

This focused burning

This energy of enlightenment

This ballet of luminosity

This touching nature of the rainbow

This understanding of zero

This camaraderie of friends

This celebration of consciousness

This deep knowledge of the senses

This love of the sky

This moment of silence for lost friends

This living of every moment to its fullest

This life long inexhaustible energy

This unique person – Otto.

With much love for Otto Piene
