

- The architecture of constructed spatial flows. **Architektúra myslenej plynulosti priestoru.**
- The architecture of material flows. **Architektúra materiálov_ch tokov.**
- The architecture of sense-flows. **Architektúra plynulosti zmyslov.**
- The architecture of a physics of flow. **Architektúra fyziky plynul_ch telies.**
- The architecture of body flows. **Architektúra telesn_ch prúdení.**
- The architecture of electro-chemical flows. **Architektúra elektro-chemick_ch prúdení.**
- The architecture of linguistic flows. **Architektúra jazykov_ch plynulostí.**
- The architecture of semiotic flows. **Architektúra semiotick_ch tokov.**
- The architecture of spatio-temporal flows. **Architektúra plynutia _asopriestoru.**
- The architecture of thought flows. **Architektúra my_lienkov_ch prúdov.**
- The architecture of biological flows. **Architektúra biologick_ch tokov.**
- The architecture of chemical flows. **Architektúra chemick_ch tokov.**
- The architecture of functional flows. **Architektúra priebehu funkcií.**
- The architecture of mathematical flows. **Architektúra matematick_ch kontinuí.**
- The architecture of gravitational flows. **Architektúra gravita_n_ch prúdení.**
- The architecture of liquid flows. **Architektúra kvapaln_ch tokov.**
- The architecture of waste flows. **Architektúra odpadov_ch tokov.**
- The architecture of energy flows. **Architektúra energetick_ch tokov.**
- The architecture of information flows. **Architektúra informa_n_ch tokov.**
- The architecture of media flows. **Architektúra mediálnych prúdení.**
- The architecture of electronic flows. **Architektúra elektronick_ch tokov.**
- The architecture of optical flows. **Architektúra optick_ch tokov.**
- The architecture of digital flows. **Architektúra digitálnych tokov.**
- The architecture of manufactured nano-flows. **Architektúra fabrikovan_ch nanotokov.**
- The architecture of code flows. **Architektúra eticky kódovan_ch tokov.**
- The architecture of aesthetic flows. **Architektúra estetick_ch prúdov.**
- The architecture of sexual flows. **Architektúra sexuálnych prúdení.**
- The architecture of political flows. **Architektúra politick_ch prúdov.**
- The architecture of social flows. **Architektúra sociálnych vzopätí.**
- The architecture of virtual flows. **Architektúra virtuálnych plynutí.**
- The architecture of the flow of time. **Architektúra toku _asu.**
- The architecture of flows of feeling. **Architektúra prílivov emócií.**
- The architecture of desire flows. **Architektúra privalov roztú_enosti.**
- The architecture of flows outside of our perceptual range. **Architektúra plynutí mimo zmyslového dosahu.**
- The architecture of intermingling fields of flow. **architektúra prepl_vajúcich tokov_ch polí.**
- The qualities of differing viscosities. **Vlastnosti rôznorodo pôsobiacich viskozít.**
- Negotiating the force of these flows. **Usta_ovanie pomeru síl uveden_ch pnutí.**

Epiphany

Zjavenie

The history of a location	História miesta
a quality of erosion	povaha erózie
the slippage of materials	nebadané miznutie materiálov
the illusion of permanence	ilúzia stálosti
alluding to silence	odkazy na ticho
the qualities of light	kvality svetla
the mind's eye	vnútorn_ zrak
the memory of a people	_ivé spomienky na _udí
a migration of energies	migrácia energií
the building up and tearing down	vytváranie a rozlo_enie
secret rooms beneath the surface	utajené priestory pod povrchom
the sound of footsteps on stone	zvuk krokov po kameni
the slow echo of the bells	stále _írej_ie echo zvonov
rhythms escaping from passing vehicles	rytmy okoloidúcich vozov
the voice of the news	_erstv_ hlas správ
the qualities of ageing	neoby_ajnos_ starnutia
the architecture of time	architektúra _asu
the building up and passing away	stavanie a strácanie sa
music in the distance	vzdialen_ nápev skladby
a hallway with the lights off	chodba vypnut_ ch svetiel
graffiti hieroglyphics	hieroglyfické nápisy na stenách
the repetition of work movements	doznievanie repríz pracovn_ ch pohybov
the mood of struggle	nálada na trápenie
a duration of friction	trvanie valivého odporu
the qualities and circumstances of release	charakter a pomery procesu uvo_enia
